CAPE OF GOOD HOPE

This is the most fun and scenic way to enjoy the Grand Tour around the Cape Peninsula.

An Island less than 100 000 years ago, the entire Peninsula is made up of the Table Mountain Chain of Mountains, reaching about 50 km into the Southern Atlantic. Regarded as the Fairest Cape of them all and boasting more variety in Flora than the entire UK, expect to see something you haven't seen before.

We start our ride from Cape Town Central and travel anti-clockwise heading along the Atlantic Seaboard past some of the most affluent suburbs of Cape Town. We visit Hout Bay Harbour to spot some local resident Cape Furr Seals and enjoy a coffee at the village market.

We ride the most famous Drive in the Cape, known as Chapmans Peak Drive. This is a engineering feat surrounded by Mountain cliffs and Ocean, regarded as one of the most scenic Coastal drives in South Africa.

We'll visit Cape Point, Cape of Good Hope and enjoy the ride through Table Mountain National Park. After our stop in Cape Point we head North to visit the Penguin colony in Simonstown. After a tasty lunch, we meander past some historic hamlets, famous suburbs and the oldest wine region in the Southern Hemisphere.
