

Adventure Africa Motorcycle Tours

CRADLE OF HUMANKIND

AAMT meets you at your hotel and we travel to the Cradle of Humankind. Our route takes us to the Lion & Safari Park, where we enjoy a predator tour on a safari vehicle, viewing Lion, Cheetah, Wild Dog and a variety of antelope.

Continuing our journey, we ride to the Hartbeespoort Aerial Cable Way for a birdseye view of the amazing Magaliesburg Mountains and the scenic Hartbeespoort Dam. We ride over the dam wall, through South Africa's own "Arc De Triomf". Lunch is served at a beautiful little farmhouse, out in the country. After lunch we continue our tour through the Magalies Mountain range, exploring the roads of this beautiful countryside.

We ride to the Cradle of Humankind Museum at the Maropeng Visitor's Centre and tour this world class exhibition of our ancestors over the past few million years, as we take a journey through time.

Leaving, we head over the scenic Hekpoort Pass, on our way back to your hotel in Johannesburg.

Highlights of the Day:

Lion & Safari Park	Scenic Mountains
Hartbeespoort Aerial Cable Way	Beautiful Scenery
