

Adventure Africa Motorcycle Tours

THE 4 PASSES TOUR

This is unarguably the most scenic motorcycle ride in the Cape. This ride includes a zig-zag route through the Historic wine regions and Majestic Mountains of the Western Cape. Surrounded and sandwiched by the Cape Fold Mountains, expect to see some one of a kind vistas not found anywhere else.

We head out from Cape Town central, past False Bay. We ascend the Hottentot Holland Mountains into the beautiful Elgin Valley. Dotted with apple, fruit and grape orchards. This ride goes through the heart of the Cape's fruit and grape producing regions. We descent into the picturesque Franschhoek Valley and make our way passed some 1600's era wine estates. We will stop for a tasty traditional lunch and a photo with the famous Mandela Long Walk Statue at the Drakenstein prison. This is the penitentiary from which Mandela was released in 1990.

With the best riding still to come, we head North East over the spectacular Du Toit Mountains into the Breede River Valley.

We'll head North up the Breede River Valley and head West over the Historic Bainskloof Pass. This is unspoilt nature and raw beauty. It's a wilderness where you still find wild Cape Leopards, Caracal Lynx, Chacma Baboons and many other African Fauna.

Our last leg will take us back to Cape Town. On route we stop at Paarl Mountain for a last scenic glance over the Winelands before continuing our last 60 km to Cape Town.
